

The 150th Open Seminar

Environmental and Structural Wind Engineering

Wind Engineering Research Center, Tokyo Polytechnic University

Bingbing San

(Professor, Hohai University)

Mechanical behavior and optimization of
additively manufactured metal structural
components

July 31st, 2025 14:30~15:30

**WERC 304 Seminar room, Atsugi Campus,
Tokyo Polytechnic University**

**Wind Engineering Research Center
Tokyo Polytechnic University**
